Special Health Care Needs

Members diagnosed with “special health care needs” (as defined below) that significantly impair the Member’s ability to obtain routine covered dental services, may be eligible for additional services, including:

- Additional visits, consultations and/or exams
- Up to four total dental cleanings per benefit year
- Treatment delivery modifications, which may include limited anesthesia, when necessary for dental staff to provide oral health care

“Special health care needs” are any physical, developmental, mental, sensory, behavioral, cognitive, or emotional impairment or limiting condition requiring medical management, health care intervention, and/or use of specialized services or programs. The condition may be congenital, developmental, or acquired through disease, trauma, or environmental cause and may impose limitations in performing daily self-maintenance activities or substantial limitations in a major life activity.

Special health care needs may include:

- Intellectual and neurodevelopmental disabilities
- Environmental or congenital injuries leading to disability
- Chromosomal abnormalities
- Syndromes or sequences with craniofacial or airway abnormalities
- Other sequences that require special dental care needs
- Any other syndrome, sequence, or abnormality which is not otherwise specified but has a significant deleterious effect in activities of daily living and/or requires significant modification at home and/or in care settings

Special health care needs does not include anxiety, depression, or a fear of dentists or dental treatment (odontophobia).

In evaluating whether you qualify for this special health care needs benefit, your dentist will determine whether they need to change or add new equipment, increase procedure time, and/or change or require additional therapeutic regimes and/or techniques in order to treat you. In making the assessment, your dentist may ask you for documentation evidencing your special health care need. Your dentist will submit the required paperwork to us, and we will determine if you qualify for this benefit. There is no age limit on the special health care need benefit.

Eligible People – As defined by the Employer Group. The Subscriber pays the full cost of this plan.

Enrollees and dependents choosing this dental plan are required to remain enrolled for a minimum of 12 months. Should a Subscriber or Dependent choose to drop coverage after that time, he or she may not re-enroll prior to the date on which 12 months have elapsed. Dependents may only enroll if the Subscriber is enrolled (except under COBRA) and must be enrolled in the same plan as the Subscriber. An election may be revoked or changed at any time if the change is the result of a qualifying event as defined under Internal Revenue Code Section 125.

Dual Spouse – If you and your Spouse are both eligible to enroll in this Dental Plan as Subscribers, you may be enrolled together on one application or separately on individual applications, but not both. Your Dependent Children may only be enrolled on one application. Delta Dental will not coordinate benefits between your coverage and your Spouse's coverage if you and your Spouse are both covered as Subscribers under this Dental Plan.

Coverage ends at the end of the month that the Subscriber and/or Dependent is no longer eligible.

Special health care needs does not include anxiety, depression, or a fear of dentists or dental treatment (odontophobia).

In evaluating whether you qualify for this special health care needs benefit, your dentist will determine whether they need to change or add new equipment, increase procedure time, and/or change or require additional therapeutic regimes and/or techniques in order to treat you. In making the assessment, your dentist may ask you for documentation evidencing your special health care need. Your dentist will submit the required paperwork to us, and we will determine if you qualify for this benefit. There is no age limit on the special health care need benefit.

Payment for Orthodontic Service – When orthodontic treatment begins, your Dentist will submit a treatment plan to Delta Dental based upon your projected course of treatment. In accordance with the agreed upon treatment plan, Delta Dental will make an initial payment to you or your Participating Dentist upon insertion of the appliances or initial banding, equal to 50% of Delta Dental's stated Copayment on the Maximum Payment for Orthodontic Services as set forth in this Summary of Benefits. Provided Member has current eligibility on the date of service 12 months from the date the appliances or initial banding were placed, Delta Dental will make an additional payment equal to the balance of Delta Dental's stated Copayment on the Maximum Payment for Orthodontic Services. Maximum Payment for Orthodontic Services equals the lesser of Delta Dental's total Copayment for Orthodontic Services, the Maximum Payment per person total per lifetime on orthodontic services or the fee charged by your provider for orthodontic services.

Eligible People – As defined by the Employer Group. The Subscriber pays the full cost of this plan.

Enrollees and dependents choosing this dental plan are required to remain enrolled for a minimum of 12 months. Should a Subscriber or Dependent choose to drop coverage after that time, he or she may not re-enroll prior to the date on which 12 months have elapsed.
